

## The Recalibrate Group | Pastors Getaway Strategic Partners

### Our Mission

Our burden is to bless minister's families (Pastors, Missionaries, Executive, Associates, etc.) at no cost to them. This includes everything from lodging, cleaning costs, management fees and special touches (ie. Gift card to local restaurant, Blueberry Hills Farm)

The [Pastor's Getaway](#) is made available by Strategic Partners (churches, businesses and individuals) that help underwrite the hard cost. Contributions can be made monthly or one time.

### Strategic Partners Suggested Contributions:

- Monthly contribution of \$50 to \$1,000 each month.
- One time contribution of \$500 to \$5,000

Some churches have put this under their Missions/Kingdom Builders or Staff Development budget.
